

**Always
the Freshest
Garlic**

OUR HISTORY

SunnyFields was founded in 2012 by professionals with extensive experience in the garlic industry. Since then, we have developed as one of the most recognized fresh and peeled garlic suppliers in the Southeast region. Located in Miami, Florida, our facility is equipped with the best technology for both peeling and packing fresh garlic and shallots. Widely known for the quality of its processes and products, SunnyFields continues to be a leader in the garlic industry.

DIRECT SOURCING FROM MAIN GARLIC REGIONS

OUR SERVICES

At SunnyFields our pride is the dedication we put when working the garlic. Our professionals have deep knowledge dealing with garlic and therefore we can offer you consistency in our products and services. We source our garlic from the latest available harvests. With recognized suppliers in California, Argentina, Spain, Mexico, Peru, and other corners of the world, we guarantee that we are always supplying the freshest product. We have a processing plant and warehouse of more than 30,000 square feet, located in South Florida, where we store, dry and peel garlic and shallots under FDA standards and supervision. Our quality control team follows strict procedures to make sure that SunnyFields products reach customers throughout the East Coast and other areas in the country, always fresh.

PRIVATE LABEL

We can offer private label programs in case your company is looking to have a line of products with your own brand. Call us to start your own label with your brand and SunnyFields quality assurance guarantee behind it.

FOOD SAFETY

At SunnyFields we are committed to providing the freshest and safest products. We maintain a strict safety and quality levels through the implementation of our Food Safety & Quality Management System which is designed according to the highest international standards and audited by PrimusLab, a leader in audit Certification Programs. We comply with all applicable federal, state, and local regulations as well as meet and exceed customer requirements for food safety and quality. Our dedicated Food Safety Team constantly controls the compliance of Good Manufacturing Practices, Hazard Analysis, Critical Control Points, and Quality Management Systems. We conduct internal audits every month and annually by PrimusLab. We are an Organic and Kosher-certified company as well.

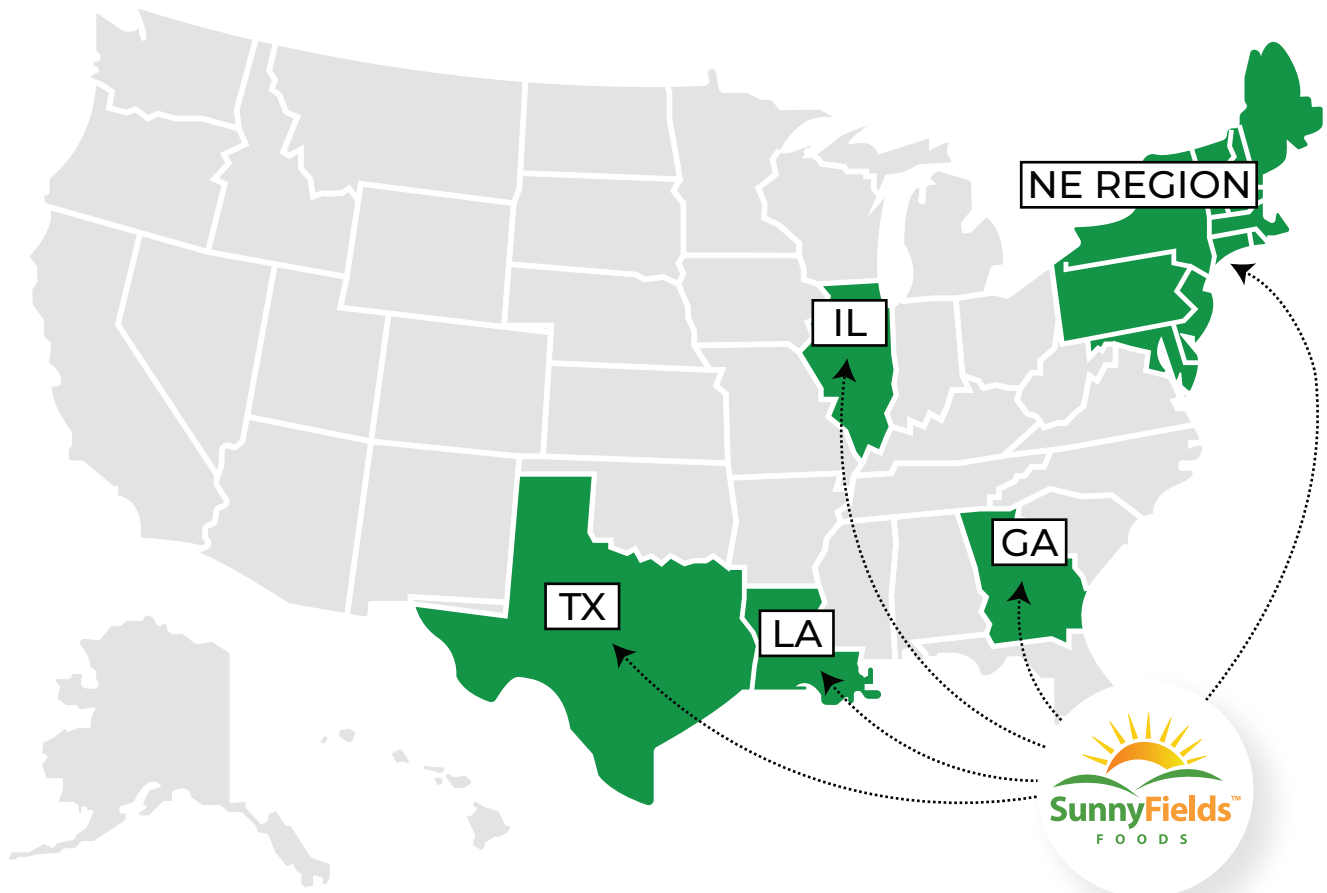

OUR CUSTOMERS

Every day our products reach food service and retail companies in different areas of the country from East to Central and Northeast regions. Our products go to a vast variety of customers depending on their use. We supply Food Service distributors, Restaurants, and Grocery Stores with Direct Store Delivery and Warehouse distribution, Wholesalers, Meal Kits manufacturers, and Food Processors. We have the ability to process large quantities of product and pack sizes for any kind of customer's needs; from 3 and 6 ounces retail bags, up to 30 Lbs bags of the freshest U.S. peeled garlic and shallots.

EVERY DAY OUR PRODUCTS REACH FOOD SERVICES AND RETAIL COMPANIES IN DIFFERENT AREAS OF THE COUNTRY FROM EAST TO CENTRAL AND NORTHEAST REGIONS.
